

Shivang Kumar

Email: 21f2001304@ds.study.iitm.ac.in

Phone: +91-8923207202

Location: Bangalore

GitHub: github.com/kumar-shivang

LinkedIn: [linkedin.com/in/kumar-shivang](https://www.linkedin.com/in/kumar-shivang)

Skills

Programming Languages - Python, JavaScript **ML/Data Science** - Scikit-learn,

PyTorch, HuggingFace, vLLM, Agentic frameworks, OpenCV **Web Development** - ReactJS, VueJS, ExpressJS, Flask, FastAPI

Tools - Git, Linux, Docker, Vim

Experience

Machine Learning Intern

Livup.ai, Bangalore

Jan 2025 – July 2025

- Assisted in building and evaluating ML models for Software engineering automation
- Conducted data preprocessing and exploratory analysis
- Contributed to internal tooling and automation for experimentation pipelines

Projects

Handwriting OCR Processing Pipeline

Created an OCR correction pipeline for handwritten text images using heuristics, NLP techniques and small LM to work with edge devices. The pipeline uses semantic, spatial and visual features to correct OCR errors. Results show significant improvement in accuracy and usability of OCR outputs without requiring large models. Tech Stack: Python, OpenCV, doctr ocr, BERT

Hotel Booking Chat App

Worked on a hotel booking chat application that allows users to search for hotels, view details, and make bookings through a conversational interface during the previous internship. Implemented React frontend and wrote backend APIs using ExpressJS for the the agentic system. Helped seniors in prompt engineering and experiments.

Education

Bachelor of Science in Data Science and Applications

Indian Institute of Technology, Madras

Expected Graduation: December 2025

Relevant Coursework: Deep Learning, Introduction to Large Language Models, Deep Learning Practice, ML Foundations Techniques and Practice, Deep Learning for Computer Vision, Mathematical Foundations of Generative AI

Certifications

Deep Learning Specialization, Coursera – 2024

Developing Deep Learning Models using Pytorch, IIT Madras – 2024

Extracurriculars

Worked as a House Secretary for Bandipur House, IIT Madras, managing events and activities for the house community.

Additional Information

Languages: Fluent in English and Hindi, A1 proficiency in German

Interests: Reading AI research papers, ethics and philosophy of AI, classic literature.
